

# Peanuts comic strip

## Across

1. - made his debut, in March 1966, when one of Snoopy's bird friends made her nest on Snoopy's stomach. After the mother bird left and did not come back, Snoopy decided to care for the birds until they hatched (which proved to be very difficult). When the eggs hatched two baby birds were born. Snoopy soon made them fly away, but one bird, who had a lot of trouble flying, came back. The undertalented bird stayed by Snoopy and his doghouse. At first, Snoopy was annoyed by the winged pest, but eventually warmed to him.
