

Probability and Statistics Symbols

Across

2. Standard deviation of random variable X
3. Double Summation
5. Expected value of random variable X given Y

Down

1. Expected value of random variable X
4. 50% of population are below this value
7. Values that occurs most frequently in population

- 6. Middle value of random variable x
- 10. Covariance of random variables X and Y
- 11. 75% of population are below this value
- 12. Mean of population values
- 14. Variance of random variable X
- 15. Sum of all values in range of series

- 8. Probability of event A
- 9. 25% of population are below this value
- 13. It is presented by the symbol "MR"
